Each week brings a new adventure! Our camp directors create wonderfully imaginative weekly themes and our professional teaching artists develop creative projects around them. Your children are placed in small groups based on age. (We try to accommodate friend requests within age groups.) Each group is led by a teacher's assistant who participates in their activities while assisting the teachers. Many of our TAs are camp alumni themselves: it's a real testament to our programs to have so many return to Dutchess Arts Camp year after year!

This summer, your children will embark on a creative voyage as they integrate visual and media arts with drama, music, and dance. They'll explore two and three-dimensional projects with different media in unique and innovative ways. They'll be immersed in colors, lines, shapes, textures, fabrics, clay and sound during their creative process of self-expression as they develop new ideas and learn new skills. An exhibition of everyone's visual and performing arts projects are shared with families and friends each Friday afternoon at 3:00pm at our end-of-camp celebration.
