Media, Art, and Design Lab: Spring 2020
Where creativity and careers meet!

Free Afterschool Art and Design Program • Ages 14-19
Jan 27 - March 25 • Mondays through Wednesdays
3:00 - 5:30pm each day @ 45 Pershing Avenue in Poughkeepsie, NY

Join the MADLab program to discover your artistic voice. MADLab is an “earn while you learn” arts-based career and skills training program at The Art Effect. In MADLab you will:
• Learn design skills
• Work in art teams on client projects
• Find out what it means to get paid for your creativity!

Applications available in your guidance counselor’s office, and on The Art Effect website. Email applications to david@feelthearteffect.org.
Application Deadline: 1/20/20

Paid for in part by Dutchess County

Email apps to David@FeelTheArtEffect.org or send to 45 Pershing Ave, Poughkeepsie, NY 12601
What kinds of art do you have experience with, and what kinds do you want to gain more experience in?

_______________________________________________________________________________________
_______________________________________________________________________________________

Have you ever thought of pursuing a career in Media, Design or the Arts? If so, what kind of career?
_______________________________________________________________________________________
_______________________________________________________________________________________

How do you think that Media, Art, and Design can help the world in a big-picture sense?
_______________________________________________________________________________________
_______________________________________________________________________________________

Finally, what is your favorite work of art? (This could be a painting, an album cover, clothing design, cartoon, etc.)
_______________________________________________________________________________________

Why would you argue that it is good?
